

## (Ellen) Lili Vanderstraeten

Performer, creator and curator of events  
fascinated by co-creative ways of making art,  
disappearing rituals and the multiformity of textiles.

[www.ellenvanderstraeten.com](http://www.ellenvanderstraeten.com)

*My work departs from daily routines of (self)care such as walking, sleeping, cooking, reading ... which I experimentally loosen from their monotonous patterns to create curious sensory experiences.*
